Ms deBeau

Per our phone conversation and your direction, I am submitting this email in response to the complaint letter I received from your office for case MUR 7084.

No contributions were made personally by me or corporately from Turner Strategic Technologies, LLC to Delegate Scott Taylor. Furthermore, Shawn Kuhle, a TST employee made a personal contribution and is addressing that separately as I am the sole owner of TST.

Thank you for helping us to resolve this incorrect complaint. I consider this matter closed.
